

Raindrop Round Chain 5pc Multi-Pendant

Evoking the ethereal beauty of a spring shower, this magnificent round raindrop multi-pendant chandelier seamlessly fuses sculptural metalwork with luxuriously thick artisan-blown glass handcrafted in Hammerton's Salt Lake City facility. Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
